17. ABSTRACT (MAX. 250 WORDS)

The pronouns introduced in lesson 8 are reviewed through questions and answers. A double question is used and extended in two separate frames. The first question contains the new word "who" and is spoken by a helper. An example of pronoun review is "Who is this?"--the picture displays a thin man in a room. "This is the thin man. Where is he?" The picture remains the same. "He is in the foom." "What" is introduced. Phonetic association is drawn between "what," "where," and "white."
